

Jacuzzi Circuit Board Replacement Chart for J-200 Series

Matching Topside control may have as few as four buttons or as many as six. Used in J-210, J-220, J-230, J-270 and J-280 from 2005 to 2011. Also Used in J-235, J-245 and J-275 from 2011 to present day.

Important Circulation pumps were optional of many of these models. Make sure to identify your spa properly as to whether your spa has a 24 hour circ pump or uses pump one for filtration and heat.
